

Paper Invitation

[Coatings] – Invitation to publish a paper on Special Issue "Cold Gas Spray Coatings: Fundamentals and Applications" in Coatings (ISSN 2079-6412)

Dear ETSA members,

The journal /Coatings/ (ISSN 2079-6412) is currently running a special issue entitled "Cold Gas Spray Coatings: Fundamentals and Applications".

https://www.mdpi.com/journal/coatings/special_issues/cold_gas_spray_coat

I am serving as Guest Editor for this issue. Based on your expertise in this field, we kindly invite you to contribute a paper (i.e., either a long review or a research paper). /Coatings/ is fully open access and charges Article Processing Charges (APC) of 1600 CHF per accepted paper. However, as guest editor, I am allowed to solicit a number of key contributions, which could be published ***with 20% discount*** in this Issue. If you decide to submit your manuscript, ***a 20% discount off the APC*** can be applied on this occasion. We believe your contribution will add value to this special issue and to the journal as well.

The submission deadline is 29 February 2020. You may send your manuscript now or up until the deadline. The paper will be published immediately upon final acceptance.

When you choose /Coatings/, you benefit from:

- High visibility: indexed by the Science Citation Index Expanded (Web of Science), Scopus and Inspec (IET);
- Owning the full copyright to your work, and your article is free to read for anyone at any time;
- A rapid publication process: manuscripts are peer-reviewed and a first decision provided to authors approximately 13.1 days after submission; acceptance to publication is undertaken in 2.9 days (median values for papers published in this journal in the second half of 2019).

You may find the instructions for manuscript preparation at

<http://www.mdpi.com/journal/coatings/instructions/>

and manuscripts can be uploaded via the following address

<http://www.mdpi.com/user/manuscripts/upload/?journal=coatings>

We look forward to hearing from you.

Dr. Sergi Dosta
